

Lata Subraidu

District Governor, 2013 –14

ROTARY INTERNATIONAL District 3140

Dear Nitin,

We are pleased to associate with the 'Citizens Association for Child Rights' (CACR) as our NGO partner for the year 2013-14 as a part of our Chhatra Adhikar Programme.

CACR has been doing exemplary work with the MCGM's Education Department, in improving the functioning and quality of education in municipal schools in Mumbai. They are currently interacting with the members of Rotary Clubs in Mumbai, creating awareness amongst them about the facilities and amenities that ideally should be made available for children enrolled in municipal schools.

They have also done pioneering work in conducting School Management Committee (SMC) orientation and training programs for SMC members across Mumbai.

Through these programmes they have involved our members in the School Management Committees as NGO representatives as stipulated in the RTE Act.

Regards

Lata Subraidu
